

## STORMY RESOLUTIONS AGAINST ROBERTS

CLERGYMEN WANT POLYGAMY  
WIPE OUT.

Dr. Iliff, Superintendent of the Methodist Missions in Utah, Made a Striking Address on Mormonism. Routine Business Transacted by the Conference During the Day. Address Delivered by Dr. Mason, Corresponding Secretary of the Freedmen's Aid Society.

At yesterday morning's session of the following conference at Kingston the following strong resolutions were introduced by Rev. Manley S. Hard, D. D., with reference to the case of Congressman Roberts, of Utah:

Whereas, Brigham H. Roberts, congressman-elect from Utah, is a polygamist, having at least three wives, and living with them in a state of immorality and in violation of the laws of the state of Utah, and

Whereas, He publicly and persistently justifies his course of unlawful and immoral conduct by the claim that he acts under the sanction of laws higher than those of the state or of the United States; and

Whereas, The practice of polygamy is not only an offense to the morals of the nation, but has been the subject of special legislation and condemnation in connection with Utah.

Resolved, That upon such grave issue as is herein involved, every true American citizen will ask the house of representatives to stand uncompromisingly for law, for morality, for the sanctity of home, by seeing to it that Brigham H. Roberts is promptly expelled from the Fifty-sixth congress.

Resolved, That we earnestly call upon the representatives of our congressional districts to use their utmost endeavor to secure action by the Fifty-sixth congress proposing an amendment to the National Constitution making polygamy, under whatever pretense, a crime against the United States, punishable by severe penalties, including disqualification to vote or hold any office of honor, trust or emolument under the United States or any state or territory.

Resolved, That the secretary forward an attested copy of our action to the foremen and also to the Hon. Thomas H. Reed, speaker of the house of representatives.

DEI ILIFF'S REMARKS.  
Dr. T. C. Iliff, superintendent of the Methodist missions in Utah and a famous anti-Mormon speaker, made an earnest address concerning the resolutions, which were unanimously adopted.

Dr. Iliff, who is a man of most distinguished appearance, then made a fiery speech denouncing Mormonism and Congressman-elect Roberts, who, he said, was not only a polygamist, but a man of low public sentiment, and that he should be expelled. He told of Bishop Newman's famous oratorical contest at Salt Lake City twenty-five years ago, which was the low water mark of the Mormon cause. "You ask," said he, "why not punish him yonder? Because 80 per cent. of the sentiment in Utah is in favor of polygamy and no prosecutions can be made there. Roberts believes himself to be fulfilling the prophecy of Brigham Young, made twenty-five years ago, when he declared 'only give us statehood and we will do as we please.'"

The beautiful weather is greatly appreciated by the attendees upon the Wyoming conference at Kingston and the lovely walks and drives in the vicinity of Kingston and Wilkes-Barre are a temptation to many of the ministers to slip out of the sessions and enjoy the first real spring day of the season.

Bishop Newman continues to be extremely feeble, although he is able to preside with dignity and clear judgment. Bishop Joyce was expected to arrive yesterday, but had not come at evening. There is much hard work before the cabinet this week and the long strain is especially wearing on his present condition.

### DEVOTIONAL EXERCISES.

The morning devotional exercises were conducted by Dr. M. D. Fuller, of Oswego. Bishop Newman called the conference to order at 9 o'clock and Secretary J. B. Sweet read the minutes of the previous day.

The forenoon was partly devoted to the institutions of the church, a number of speakers representing various departments being heard from the platform. The first speaker was Dr. G. B. Mains, of the Methodist Book Concern of New York. He stated that it was the oldest organized institution of the church and has a history reaching over 110 years, during which time \$60,000,000 worth of Christian literature has been distributed over the world. It has given away more than \$100,000,000 worth of books. Its needs should receive hearty support from every pastor. Dr. Mains also spoke earnestly in favor of the Christian Advocate.

Dr. W. B. Kelley, editor of the Methodist Review, spoke in the interests of that journal. The announcement was heard with applause that Dr. Mains had brought a check of \$1,115 as the dividend from the Book Concern for the Preachers' Aid society fund, with \$22 from the chartered fund.

Rev. Dr. A. J. Palmer gave an address in the interests of the Missionary society. Following this Dr. T. H. Pearce, president of the Cincinnati Historical society, gave brief remarks concerning his book, "Sixty-two Years of Tolerant Christian Life in the Church and State," which is an interesting description of his own missionary work, particularly in Oregon. It is a valuable book in every respect.

### DR. WILBUR SPOKE.

Dr. E. C. Wilbur, of Cascoville Seminary, spoke regarding the necessity of bringing up arrears of the Episcopal fund, after which Dr. C. M. H. Mason, the colored orator and corresponding secretary of the Freedmen's Aid Society, gave the most impassioned address of the week, urging aid in raising the debt which was \$100,000, but which has been reduced to \$40,000, \$25,000 of which is provided for in the south. Dr. T. C. Iliff, superintendent of Methodist missions in Utah and a famous anti-

Mormon speaker, made an earnest address.

Reports of presiding elders were then heard. Rev. Dr. L. C. Lloyd gave an interesting report of the Birmingham district. The sum of \$250 had been expended on improvements. During the pastorate of E. B. Olmstead a debt of \$10,000 had been raised on the Tabernacle church and 355 members had been received; \$3,000 had been expended for repairs and \$12,287 given for benevolent purposes.

C. H. Hayes, of the Chenango district, gave an encouraging report, as did Rev. T. T. Hall, of the Onondaga district. E. B. Olmstead was appointed on the committee for reception of members. J. B. Benninger as assistant treasurer and the session adjourned.

The investigating committee in the case of Rev. G. T. Price in session at the Franklin street church, Wilkes-Barre. No decision will be reached before Saturday.

### AFTERNOON SESSION.

Professor Schmidt gave an organ recital at the afternoon session, playing a beautiful programme on the splendid organ. Dr. M. S. Hard presided at the anniversary of the Historical society which followed. Professor Black conducted the singing. Prayers were offered by Rev. Dr. Shaw, of Philadelphia.

Rev. J. P. Warner, recording secretary, read the report, which included several letters. Rev. Dr. Y. C. Smith, Dr. O. L. Severson and Rev. C. V. Arndt were appointed a committee on nominations.

Rev. J. K. Peck, archivist of the society, read the annual report, which was written in his characteristic manner. This was the one hundred and eleventh anniversary of the Kingston Methodist society. This is the oldest church organization west of the Hudson river and north of Baltimore. In the archives is the church record of Wyoming. The Ross Hill class grew into the Kingston society, the Wyoming circuit, the churches conference. An enumeration of relics collected was given. This includes a directory of the Onondaga conference, which was held forty-three years ago, when Wyoming seminary was founded.

The officers of the Historical society were re-elected as follows: President, Rev. Manley S. Hard, D. D.; Vice-presidents, the presiding elders; corresponding secretary, Rev. C. A. Benninger; recording secretary, Rev. J. P. Warner; librarian, Rev. L. L. Sprague, D. D.; treasurer, Rev. N. S. Shipman; archivist, Rev. J. K. Peck, M. A.

### TREASURER'S REPORT.

The treasurer reported the expenses of the year as \$25.32. Miss Hard then sang "Remembered," and Rev. Thomas H. Pearce, D. D., of Hillsboro, O., president of the Cincinnati Conference Historical society, and a pastor at Wyoming fifty years ago, delivered an excellent address. His allusion to the recollections of other days was gracefully expressed. He was present at the birth of Wyoming seminary. His father and a brother were members of this conference. Together the three Peaces have put in 160 years as preachers. He himself has been a traveling preacher for sixty-two years. In glowing terms he described the beautiful Wyoming valley as he first saw it. He told of his experiences in the west.

He followed with an enumeration of many noted names in the history of Methodism in this region. Dean Buell continued his lecture on the Philippines, giving many valuable hints to ministers. Dr. J. H. Rice presided at the Freedmen's Aid and Southern Educational anniversary in the evening. Dr. Mason, corresponding secretary of the Freedmen's Aid and Southern Educational society, is the first man of color to hold such a position as this. He is a graduate of two institutions in the south and has taken a post-graduate course in one of the best institutions in the north. He was for six years assistant corresponding secretary at the last general conference two years ago. He is raising funds for the extinction of the association's debt and has already secured \$5,000 from the colored people and hopes to raise \$10,000 by the end of the century. One of the strong thoughts of his address was expressed as follows:

### BELIEVES IN AMERICA.

I believe in America. I believe that we have the greatest opportunity that any nation has had since the dispersion at Babel to solve for all time to come the problems of the just. Indeed it was for this purpose for which this country was founded. God wanted to build upon this virgin soil a new man with new blood, and in order that we might not forget our business he sent to our land every race of every color under the sun, save our own people, and you quickly set for them, and here with this cosmopolitan citizenship we shall develop an ideal man, the end of the century, and a new era of peace and unity. One of the strong thoughts of his address was expressed as follows:

There are upheavals of the hate and madness of man, but a better day is coming and the patience which characterized the negro in the days gone by has not forsaken him. A better day is coming, and I know of no work that is helping to bring it to pass faster than this work of education among the lowly and unfortunate in the South. When that day shall come, and may God hasten it, we shall have permanent peace and a claim to that righteousness which exalts a nation.

### THE TROUT SEASON.

Campaign with the Game Fish Will Begin Next Saturday.

The trout season will open Saturday and close July 15. Persons caught fishing for trout at other times are liable to a fine of ten dollars and costs for each fish taken. The amended game laws make constables, who know of violations of the game laws and do not arrest the offenders, parties to the crime.

Since the breaking up of the winter season the streams have all been so filled with water that it has been impossible to secure anything like a correct observation of the possibilities for trout this year, but the indications are that this gamey fish will be unusually plentiful in its customary haunts.

Last year trout were more plentiful than the year previous, but the catch not nearly so large. This was undoubtedly owing to the great interest centered in the outbreaking of the war with Spain, which when the season was at its best. Anglers were loath to spend even a few hours along the streams when a question of such vital importance attracted elsewhere. Because of this the streams were not so depleted of the speckled beauties as they were in past seasons.

## NEW FACTORY SITE.

Bolt and Nut Works Will Be Located at the Corner of Cedar Avenue and Breck Street.

The initial meeting of the directors of the Scranton Bolt and Nut company was held yesterday morning in the board of trade rooms. Organization was effected, a site was fixed upon and directions were given for the immediate erection of the plant.

W. D. Zehnder was chosen president and general manager. The selection of a secretary and treasurer was deferred. The site selected is at the corner of Cedar avenue and Breck street in the Twentieth ward, opposite the old Meadow Brook breaker site. It was secured from Hon. William Connell on very liberal terms.

Mr. Zehnder was instructed to proceed at once to secure plans for the buildings and use every endeavor to the end that the works may be in operation before autumn.

## OLD AND RELIABLE.

## TEETH

DR. HILL & SON will do all kinds of Dental work at lower prices than any other Dentist in Scranton.

We have been in Scranton over 16 years, we are here now, we intend to stay here. Our business is not a mere expedient. We will not do work today that you can't call us to account for tomorrow. We compete with the cheap advertising dentists who are here today and gone tomorrow, but we do not compare our work to a contrast. We are experts of skill and experience, and not mere students. Still our prices are lower than the best.

Beware of impostors and charlatans who can afford to ruin your teeth because they are not financially responsible. How can we do better than they? The answer is easy. We have a dental office in nearly every city in the United States, and we buy our supplies at wholesale for cost. No wonder we can give better prices than anyone else. Experience counts also, and we have experience besides our diplomas. Don't be deceived; get the best, the most reliable, the most comfortable and the most durable. The newest methods! The latest applications! The best materials! These are attractions worth considering. Beads, nervous people and those with heart weakness can have their teeth filled or crowned with absolute safety and positively without pain. We are the only really up-to-date dental establishment in Northeastern Pennsylvania. Teeth extracting in the morning and a new set furnished in the afternoon is an old practice of ours. We are the original, all others are mere imitators. We are the originators of vitalized air.
